

## PRIVACY POLICY

### Introduction

Corsa Group Intervest Limited provides this Privacy Policy to communicate its policies and procedures regarding the collection, use, and disclosure of personally identifiable information received from users of this website.

We reserve the right to make changes to the Site or the Privacy Policy, and any modifications will be effective upon posting on the Site. Your continued use of the Site after the posting of any revised Privacy Policy indicates acceptance of the modified terms. By providing us with your information, you consent to the collection, use, and storage of the information as explained below.

Corsa Group Intervest Limited places great importance on data protection and security. The privacy and confidentiality of individuals using our website are significant concerns for us. Therefore, we commit to safeguarding your privacy and treating your data confidentially. Personal data will only be disclosed to third parties when permitted by data protection laws, in response to a judicial or similar order for data release, or when you have explicitly consented to such data sharing.

### What Information We Collect

1. **Anonymous Browsing:** Users browsing non-password protected sections of the site do so anonymously, and no personally identifiable information is collected during this phase.
2. **Registration Information:** To become a registered user, individuals are required to provide an email address, username, and password. Optional information, such as trading details and a profile description, may also be submitted.
3. **Personal Data Definition:** The document defines personal data as information that can be unequivocally linked to a specific individual, disclosing personal or factual details about that person.
4. **Registration Requirement:** Utilization of the Corsa Group Intervest Limited platform is contingent on prior registration.
5. **Account Information Collection:** When applying for or maintaining a Corsa Group Intervest Limited Demo or Live account, the company collects personal information for various business purposes,

such as evaluating financial needs, processing requests and transactions, informing about relevant products and services, and providing client service.

6. Types of Information Collected Include:

- Application Information: Name, address, birth date, social security number, occupation, assets, income.
- Transaction Information: Account balances, trading activity, inquiries, responses.
- Verification Information: Identity verification documents like passport or driver's license, background information from public records or non-affiliated entities.

7. User Identification: Once registered and signed in, users are no longer anonymous to Corsa Group Intervest Limited. They may provide credentials to access brokerage accounts.

8. Account Deactivation: Users can deactivate their accounts at any time, resulting in the deletion of personally identifiable information from servers, unless legal requirements dictate otherwise.

9. Collection of Non-Personally Identifiable Information: Non-personally identifiable information is also collected when users engage in certain activities such as posting comments, providing feedback, or answering surveys. This type of information is considered non-confidential and may be disclosed and used by Corsa Group Intervest Limited without requiring user permission.

It's important for users to be aware of the information being collected, how it's used, and the company's commitment to privacy and data protection.

## Technical Information & Data Security

1. Cookie Usage: Corsa Group Intervest Limited employs "cookies" or similar web tools to enhance the user experience. Cookies are small text strings sent by the site to the user's browser and stored on the computer's hard drive.

2. Functionality of Cookies:

- Recognition: Cookies enable the site to recognize users upon their return.
- Web Session Maintenance: They help maintain the user's web session while browsing, contributing to a seamless experience.
- Personalization: Cookies assist in providing a better, more personalized user experience.

3. **Browser Acceptance of Cookies:** Most web browsers automatically accept cookies, but users have the option to change browser settings to reject them. However, rejecting cookies may limit access to certain portions of the site.
4. **Automatic Information Collection:** When users browse the site, Corsa Group Interinvest Limited automatically receives and records information on server logs. This includes IP addresses, cookie information, and requested pages.
5. **Purpose of Information Collection:** The information collected is utilized to enhance the functionality and usability of services. Server log files are not connected to personally identifiable information.
6. **Security Measures:** Corsa Group Interinvest Limited employs secure server software (SSL) and firewalls to protect information from unauthorized access, disclosure, alteration, or destruction.

In summary, the company uses cookies to improve user experience and automatically collects non-personally identifiable information for the purpose of enhancing services. Users have the option to control cookie acceptance through browser settings, and the company employs security measures to safeguard user information.

### **How We Use the Information We Collect**

1. **Data Collection:**
  - Personal data is gathered when users register on the website or voluntarily provide data during the use of the Corsa Group Interinvest Limited platform.
  - Servers may store data, such as IP addresses, for service provision or security purposes. This data is regularly deleted.
2. **Purpose of Data Usage:**
  - The primary purpose of gathering, processing, storing, and utilizing personal data is for the operation and administration of the Corsa Group Interinvest Limited platform.
  - No person-linked analysis is conducted, but statistical evaluations of pseudonymized or anonymized data may occur for system security, website improvement, and statistical purposes.
3. **Enhancing User Experience:** Information collected is used to personalize user experiences, improve customer service, process transactions, send updates, administer contests, and perform requested services.

4. **Customer Service:** Communication with users includes welcoming emails for account verification, responding to inquiries, providing requested services, and managing user accounts.
5. **Brokerage Information:** Users may provide credentials to access brokerage accounts for trading data retrieval, which is solely used for obtaining trading history and is not accessible elsewhere on the site.
6. **Non-Disclosure of Personally Identifiable Information (PII):** Corsa Group Intervest Limited does not publish personally identifiable information on the site without user permission and does not rent or share such information with third parties, except for agents or service providers.
7. **Legal Disclosure:** Personal information may be disclosed in response to court orders, requests by authorities, or to establish/defend legal rights. It may also be shared to investigate illegal activities or potential threats, prevent fraud, and comply with legal requirements.
8. **Advertising Consent:** User data is used for advertising purposes only if expressly consented to. Users receive advertising from Corsa Group Intervest Limited only with explicit consent, which can be revoked at any time.
9. **Revocation of Consent:** Users can revoke their consent by emailing [support@corsafutures.com](mailto:support@corsafutures.com).
10. **User Profiles:** Personal user profiles are not generated by Corsa Group Intervest Limited.

This comprehensive overview emphasizes the company's commitment to data privacy, user consent, and the responsible use of personal information.

## **Social Network**

1. **Definition of Social Networks:**

Social networks refer to online groups, networks, or communities where people with common interests connect and explore those interests together on the Internet.
2. **Common Elements:**

Members of social networks share common elements, such as particular interests, and are interested in discussing and exploring these shared interests with others online.
3. **Forms of Online Interaction:**

Social networking involves online interaction among members through various electronic formats, including chat, messaging, email, video, voice chat, file sharing, blogging, discussion groups, and more.

#### 4. Features of Social Networks:

- Social networks offer features that enable members to create and view profiles of others who share similar interests.
- Members can create detailed personal profiles and engage in activities such as creating personal blogs and sharing personal information.
- Social networks facilitate connections among members, allowing them to connect and communicate.

In summary, social networks serve as online platforms where individuals with shared interests can connect, communicate, and engage in a variety of digital activities to foster a sense of community and connection.

### **Risk**

Social networks come with inherent risks, mirroring the challenges present in any online activity. Whether in public domains or exclusive social network communities, these platforms are accessible to a broad range of users, raising concerns about the identity and intentions of fellow members. Corsa Group Intervest Limited lacks control over the actions of third parties who, with access to your information, may exploit it. For instance, divulging personal details could lead to another member copying and disseminating the information without your consent.

Exercise caution when sharing personal information on social networks and scrutinize the information you glean from these platforms. Trusting content posted by others poses risks, as it's challenging to prevent the dissemination of false or misleading information, including deceptive personal profiles. While Corsa Group Intervest Limited makes reasonable efforts to monitor and purge misleading or fraudulent posts, the detection of all such content is not guaranteed. Members are advised not to rely on or assume the accuracy of information posted by others and should independently make their trading decisions.

Furthermore, be mindful of the information you share, as once posted online, you forfeit control over its visibility and usage. Personal data or profile content can be swiftly copied and shared with a wide audience. Additionally, exercise caution when posting materials like photos, as they can be manipulated or distorted. Utilizing Corsa Group Interinvest Limited services carries potential risks due to the illicit or inappropriate use of the social network by third parties. These actors may attempt to disseminate misleading information to influence trading decisions or exploit the platform to copy and aggregate member profiles, gather personal financial information, or misuse personal content for their own purposes.

### **Disclosure of information to third parties**

We do not sell, trade, license or otherwise disclose to outside parties your personally identifiable information without prior consent from you. However, we may release your information to trusted third parties who assist us in operating our website, conducting our business, or servicing you, if those parties agree to keep this information confidential.

Furthermore, we may also release your information when required to comply with the law, enforce our site policies, or protect our rights, property, or safety. Besides that, we may also provide non-personally identifiable visitor information to third parties for research, marketing, advertising etc.

### **Third Party links and Advertisements**

This website may display advertisements and provide links to external third-party content. However, it should be noted that such inclusions do not constitute an endorsement by us of any third-party content featured on our website or on any linked external sites. It is crucial for you to be aware that you bear sole responsibility and full liability for engaging with, clicking on, or linking to any such third-party websites. Please be advised that this Privacy Policy does not extend to cover your usage of third-party sites.

In compliance with applicable laws, we may share the personal information detailed above with our affiliates for business-related purposes, such as servicing client accounts and informing clients about new products and services. Our affiliates may encompass companies controlled or owned by Corsa Group Interinvest Limited, as well as entities with an ownership interest in our company. The information shared

with affiliates may encompass any of the details previously described, including your name, address, account information, etc. Our affiliates uphold the privacy of your information to the same extent as Corsa Group Intervest Limited, adhering to the terms outlined in this Policy.

Outside the purposes delineated in this Policy, Corsa Group Intervest Limited refrains from disclosing personal information to third parties. Instances of third-party disclosures may involve sharing information with non-affiliated companies rendering support services for your account or facilitating transactions with Corsa Group Intervest Limited. Such disclosures may extend to companies providing professional, legal, or accounting advice to Corsa Group Intervest Limited. Non-affiliated companies aiding Corsa Group Intervest Limited in-service provision are obligated to maintain the confidentiality of received information and to utilize your personal information exclusively while delivering services, adhering strictly to the purposes dictated by Corsa Group Intervest Limited. Personal information may also be disclosed to third parties to fulfil your instructions or with your explicit consent, but Corsa Group Intervest Limited will not sell your personal information.

Under specific circumstances, Corsa Group Intervest Limited may disclose your personal information to third parties as permitted by or to comply with applicable laws and regulations. Such disclosures may be made to cooperate with regulatory authorities, law enforcement agencies, comply with subpoenas or official requests, and safeguard Corsa Group Intervest Limited's rights or property. Save for the provisions outlined in this Privacy Policy, your personal information will not be utilized for any other purpose unless explicitly described at the time of disclosure or with your permission.

Your data is primarily stored in our database and on our servers, or those of contracted companies processing data on our behalf. For the management and settlement of credit accounts, external contractors may be engaged to perform these tasks. Data is shared with third parties only with your prior consent.

Before accessing or using any services on third-party websites, it is imperative to review their Privacy Policy to comprehend how they manage your information. Exercise caution when visiting external sites and acknowledge that Corsa Group Intervest Limited cannot be held liable for any loss or damage resulting from the use of content, advertisements, or links on this site.

## **Protecting your information**

We have implemented a diverse range of security protocols, including SSL encryption technology, firewalls, and authentication systems (such as passwords and personal identification numbers), to safeguard your personal information and maintain its confidentiality. When collecting data, we store it on highly secured servers in Hong Kong, accessible only to a select group of authorized individuals. To mitigate the risk of data loss or misuse, Corsa Group Intervest Limited has established rigorous technological and operational security measures, subject to regular inspections and updates to align with the latest technological advancements.

It is crucial to acknowledge that, despite our efforts, the inherent structure of the internet may expose data to risks beyond our control, as other individuals and entities may not adhere to data protection regulations. Consequently, users bear the specific responsibility of ensuring that their provided data is protected against misuse through encryption or other appropriate means.

### **Contact Us**

Users may, at any time, submit to us questions relating to the processing of their personal data. These, together with any other questions relating to matters unanswered in this data protection statement, should be addressed to: [support@corsafutures.com](mailto:support@corsafutures.com) .

For any questions relating to this Privacy Policy or the Site, please contact [support@corsafutures.com](mailto:support@corsafutures.com)

### **Changes to legal requirements**

Amendments to applicable laws may necessitate changes to data protection provisions. You are therefore requested to check this data protection statement on a regular basis. It is your responsibility to ensure that you are aware of any modifications or updates made to our privacy policy on this page.
